### World Day of the Poor (this weekend)

Pope Francis' message "Blessed are the hands that reach beyond every barrier of culture, religion and nationality, and pour the balm of consolation over the wounds of humanity. Blessed are the open hands that ask nothing in exchange, with no "ifs" or "buts" or "maybes": they are hands that call down God's blessing upon their brothers and sisters". He asks us that make this new "World Day of the Poor" a powerful appeal to our consciences as believers, allowing us to grow in the conviction that sharing with the poor enables us to understand the deepest truth of the Gospel

### Finance Committee

Will present their interim financial report this weekend & they also appeal to all our parishioners who are in the position to support the "day to day" running of the parish by contributing to the weekly family offering collection to please pick up a standing order form. Completed forms can be left into the Parish office.

### Child Safety and Protection.

In recent months all church volunteers received a Garda vetting form for completion and return to the parish office. We would like to take this opportunity to thank all those who returned their forms and to gently remind those you have yet to return your form to do so as soon as possible. We would be grateful if you could drop it into the parish office. In the event that you have mislaid it and require a new one, you can pick one up from the parish office.
