Advent Healing Service - Wednesday 13th December @ 7.30pm

Christmas is not always a happy time for people and often burdens we carry can feel worse at a time when there is so much stress and expectation of happiness. This simple and welcoming service offers and opportunity to come together and place our worries and concerns in the empty manger and invite Jesus to come into our lives with His healing presence. Petitions for prayers may be written and left in our petition box placed on the Sanctuary. All these intentions will be prayed for during our service. It is our hope that all will leave feeling blessed, supported and stronger for the Christmas Season.
