Well done to all who have been so supportive since our reopening for public attendance at Mass. We are moving in to the next phase of welcoming our 98 family units to mass this weekend. For the moment the obligation to attend Sunday Mass still does not apply. It has been suggested to attend on a weekday instead of Sunday or perhaps limiting Weekend attendance to once every 3 or 4 weeks for the moment to enable others to attend.

Volunteers for helping with Mass

Our thanks to those who have come on board to help with stewarding, cleaning as well as Ministers of the Word and Eucharist. Your support is essential for us to stay open for Mass, especially during the week.

Church Opening

The church is open for private prayer from 12.00 to 6.00pm (approx.) daily. We try to open by 11am (we need to sanitise the church after 10.00am mass) and stay open til after 8pm. Please note we will close earlier on Saturday to facilitate preparation for Mass. Please adhere to the HSE guidelines & restrictions and advice in porch.

Weekly Donations to Parish & Diocese.

Thank you to those who are continuing to support the parish, the priests & the diocese in different ways, either by way of the Family Offering envelopes or the double Share and Common Fund envelopes.

Baptisms

Baptisms take place on Saturdays only. People will be advised of times available. The monthly meetings will be postponed for the moment.

When coming to Mass.... (Mon – Sun 10am & Sat Vigil 6.30pm)

Church doors (*Front only*) will be open 15-20 minutes before commencement of Mass. 9.40am each day and 6.15pm Saturdays.

Please note that access to Toilets, sacristy and office is not permitted for the foreseeable future.

The church will be seen as two different sections to facilitate the bigger attendance of 100 people. Separate entry/exit doors and no crossing to the opposite side is permitted for the moment.

- Enter using the main doors, left or right, as you have been doing for the past few weeks. Exit will be through the doors left and right of the altar on the same side you enter.
- Hand sanitiser is available on the way in and on the way out. If wearing gloves, a fresh pair to be put on after sanitising your hands. Face coverings is strongly recommended at all times in the church, Holy communion is to be received on the hand only. The sign of peace is not permitted during the Mass. Please bring home your masks/gloves and copies of newsletter.

Once inside

- You will be guided to your place, along by the walls, following the arrows. This is to ensure that we adhere to a one-way system, which is recommended by both church and state.
- Please observe the 2m distance requirement at all times. Your patience will be appreciated and people will not be able to sit in their favourite places for the moment.
- Stewards will also be on hand to guide you to your seat, filling from the front to the back of the church. Each seat can accommodate from 3 to 5 people depending on where it is located. To achieve maximum numbers your support is essential by moving to the position assigned to you.
- When the recommended number has entered the church, people who would like to join our mass, can remain outside to hear it over our loud speakers.
- For Holy communion the priest or minister will go through the church bringing Holy Communion. They will also bring Holy Communion to those who may have opted to stay outside the church.
- Collection bags will be brought by the stewards through the church and outside at weekend masses
- Once Mass is over people are encouraged to leave row by row starting with the front seats. This speedy exit can facilitate the cleaning of the church, which is required after each Mass. (The main doors will not be used to exit in line with legislation). We will ask you to refrain from lighting candles etc at this time, the church will be re-opened for private prayer, once cleaned.
