February 14th Feast of St. Valentine.

This famous Saint, was an Italian doctor who later became a priest. He was sent to jail for performing weddings for couples during a time when new marriages were outlawed in the ancient Rome. Before he was killed for refusing to renounce his faith, he sent a loving note to a blind child he had been helping to teach, she was the daughter of his jailer. It is said that this note led to the tradition of sending Valentine's cards.
