"Technology is never neutral, it takes characteristics of those who devise, finance regulate and use it.

Artificial Intelligence does not undergo experiences, does not possess a body, does not feel joy or pain" Not mature enough through relationships and does not know from within what love, friendship and responsibility mean.

Pope Leo.

Adoration

Every Thursday in the Oratory after 10am mass, (except on days when we have a funeral).

Summertime....

As we prepare for, the break from school, the end of the state exams and before we all head off on holidays, our wish for you all is, for a very safe, happy and healthy summer.

Finance Briefing.

We would like to thank the Chairperson and all the Members of our Parish Finance Committee, for their comprehensive update, they provided this weekend.

We thank them sincerely for the work they do, voluntarily, to ensure that all your donations are used wisely and efficiently to maintain our Church.

We thank you, our parishioners for your generosity in supporting our parish both spiritually & financially.

It gives us hope and joy knowing that we can provide a place of worship for all to come and enjoy spending time in.

An interesting quote from the very recent Encyclical of Pope Leo on Artificial Intelligence called "**Magnificent Humanity**"

Vincent de Paul
