We recently had the carpet and the areas around the shrines, *professionally cleaned* & hopefully, you all agree, it is an excellent job and long overdue.

We would really appreciate if you did **not** carry candles around the church, especially when lighting!!! Hot wax is falling on the floor covering and it is so difficult to remove and dangerous.

We would like to take this opportunity to thank our volunteer, Marie, who does an excellent job weekly on maintaining & cleaning the shrines.

Blue and red votives, are at all shrines so therefore it is not necessary to move them around the church. Lighters are provided at all shrines for your convenience.

We now have **Two Designated Handicap Parking Bays** for those who require assistance into the church. Please be respectful to these spaces and only use them as appropriate.

Tap and Go Machine!

We are happy to advise that we have installed a Tap and Go machine in the Church to make it easier for you to make your

Donations towards the Shrines & Church Maintenance Fund by Card.

You can simply select from the pre-set amounts or enter your own amount.
(It is located in the alcove beside the Statue of The Little Flower).

Church Maintenance Envelopes

Thank you to those who have already donated via the new Church Maintenance Envelopes (available in our porches). Our first collection has supported the recent expense of getting the carpet in the church cleaned professionally.
